

HEAD COACH REQUIRED

Do you have any experience working with children?

Are you a swimming teacher?

Do you have a background in competitive swimming?

Are you passionate about swimming?

**If you answered yes to ANY of the above questions,
then come and speak to us!**

The Morwell Swimming Club is looking for a suitable candidate to join our team as Head Coach. Morwell Swimming Club is a small club of less than 20 swimmers based in Gippsland's District 21. Our swimmers range from 7 years to 16 years and compete at district level competitions. We require a Head Coach to run training sessions for our Junior and Intermediate swimmers, up to five evenings a week (excluding public holidays). Traditionally our training sessions are Monday, Tuesday, Wednesday, Thursday and Friday evenings. Junior swimmers train from 5:00pm till 6:00pm and Intermediate swimmers train from 6:00pm till 7:30pm. We are currently only training two nights a week while we search for a suitable applicant for the coaching role. Most evenings we have two lanes available for use of the eight lane indoor 25m pool. Training is held at Latrobe Leisure Morwell, McDonald Street Morwell VIC 3840. The pool is owned and operated by Latrobe City Council.

We are looking for people interested in obtaining their *Development Coach Certificate* (previously called Bronze License) and all necessary requirements of this qualification. If you have a background in competitive swimming, are a teacher, or just love swimming, then this job might be for you. Coaches will need a current Working With Children Check, and current CPR qualification.
